international
students

20%

Business, management
and human skills

40%

Practical training

12 months

Mandatory internship

training by research
7 pub. per week

1 Prof for 3
students

Training top level professionals in chemistry

Organic and Bioorganic Chemistry

Energies

Analytical Chemistry

Solid State Chemistry

Chemical and Process Engineering

Material Science

Environmental science

Theoretical Chemistry

Nuclear Chemistry

Life and health sciences

Eco conception & recycling

Microfluidics

12 months of mandatory internship
Regular meetings with **industrials**
(conferences, workshops, visits)

Year 1

Fundamentals towards engineering

Basic courses
Team projects
Management, Economy
Language and Cultures
Work internship 1-2 months

Year 2

New applications & innovation

Basic courses & options
Projects (innovation)
Management, Economy
Language
Internship - 5 months

Year 3

Specialization & entrepreneurship

Projects
Engineering
Innovation
Master internship - 6 months

STUDYING AT PARISTECH

INTERNATIONAL STUDENTS SERVICES

- Accommodations
 - Most schools have accommodations on their campus
 - Affordable rents: ~ 380 € /month
 - Possibility of accommodation allowance
 - Average living costs in Paris: ~ 800 € /month
- Assistance with visa procedure
- Intensive Language Training Programs
- Mentoring by senior students & Alumni
- Active participation in student activities

STUDYING AT PARISTECH

SCHOLARSHIPS

ParisTech supports French and international student mobility through

- The French government's **Eiffel Scholarship** and **scholarships of the French embassies (BGF)**
- Scholarships supported by ParisTech schools within the international mobility programs of the CDEFI, such as **FITEC (Brafitec, Arfitec, Mexfitec...)**, and **AGRI (Brafagri, Arfagri)**
- Scholarships provided by **the foundations of ParisTech schools**

PARISTECH DOUBLE DEGREE: LATIN AMERICA ➤ FRANCE

Argentina

**Diplôme d'ingénieur +
Pregrado /
Licenciatoura**

Brazil

**Diplôme d'ingénieur +
Bachelor**

Colombia

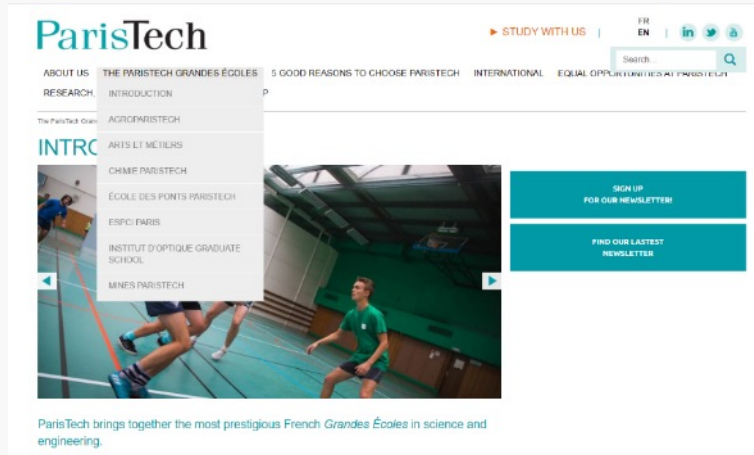

**Diplôme d'ingénieur +
Pregrado**

Selection/Admission

**obligation
to
learn
French**

APPLICATION

Step 1- Preselection by home universities

Step 2- Application : Submit your [online application form](#) to ParisTech (*from June to September 2021 – to be confirmed*)

List of required documents for application

Copy of passport or other identification document	An identity photo
A resume (2 pages max.)	An original transcript of your records translated in English and certified by your University
Professional project letter	Official ranking certificates, translated in English, stating the total number of students in your department or in the field of specialization
Foreign language certificates when available, at least in English	2 letters of recommendation

Step 3- Selection procedure and test (*Beginning of October 2021 – to be confirmed*)

Eligible students will be asked to take an online scientific test. Programs and samples available on [Studywithus](#)

Step 4- Interview (*October-November 2021 – to be confirmed*)

Candidates who successfully pass the test will be called to an interview. If you are successful, you will need to rank the ParisTech schools which are ready to admit you by preference.

Step 5- Admission (*November 2021 – to be confirmed*)

You will be informed of the outcome of your application, and to which ParisTech Grande École you have been admitted.

If you are not fluent in French, you should be ready to start learning French as soon as possible.
